Hello!

We're Lunch Money– a personal finance management app. We've been around since 2019, proudly bootstrapped and 100% customer-loved & funded. Think of us as the mom & pop shop of budgeting apps!

What makes Lunch Money unique?

- ♥ Clean design that makes budgeting approachable
- ♥ Multi-currency support for modern-day spenders
- ♥ Accessible pay-what-you-want plans from \$50/year
- ♥ Driven by user feedback, not investors & growth targets
- ♥ Supported by a global community of users & developers
